

# Applying to the UK Guidelines for Students

*UCAS Apply 2021  
(for entry in 2021 or deferred entry)*

Raffles Institution  
Higher Education Office  
July 2020

## Important instructions:

- Read the following deck of slides closely and carefully all the way to the end before you start creating your UCAS account.
- Ensure that all information provided by you is truthful to the best of your knowledge.
- It is the responsibility of applicants to ensure self-reported results are entered correctly.
- Key in your Secondary 4 end of year results under “Secondary School” section for RP students.
- Secondary 3 results are not required.

# Applying to UK Universities: Overview

1. Start your UCAS account online. (Instructions provided in the following slides.)
2. Approach your CT directly to request for a recommendation.
3. Read university websites for detailed course outlines and admission requirements.
4. Register and sit for admission tests, where relevant.
5. Complete and submit your UCAS application well before given internal deadline.
6. Double-check your UCAS application carefully (name, subjects listed, etc.) before you click submit.

***Note:** Certain universities & courses have additional requirements. Read the application instructions of your desired universities/courses closely.*

# Important information: UCAS

- You submit 1 personal statement for all your course choices. Hence all your course choices must be within a similar field.
- You send off your UCAS statement once. i.e., if you are applying for courses with early deadlines, you will submit your UCAS application to all other courses/unis in your list by Sep/Oct.
- You can make a max. of 5 course choices with the following exception:
  - ❖ Up to 4 course choices for Med/VetMed/VetSci/Dentistry. You can include a 5<sup>th</sup> choice in another related course. E.g. You may apply for 4 Med courses and 1 Biomedical Sciences course.
- You can only make 1 course choice in either Cambridge or Oxford, not both.
- Universities will consider all applications submitted by the UCAS deadline. They cannot see where else you have applied to.
- Payment is made directly to UCAS online, not through the school.

# Important guidelines to follow

- The buzzword for this cycle is 2021Raffles
- You can start your accounts from 31 July 2020.  
Note that completed applications can only be submitted to UCAS from 8 September 2020.
- You need to have 1 reference submitted in support of your application. Your reference is written and submitted by your Civics Tutor. For classes with 2 CTs, your CTs will decide whom writes for you.
- You need to complete your UCAS statement and make payment before your CT can complete his/her portion and send your application off. So, be sure to complete your application well ahead of our internal deadlines.
- Plan ahead. It is your responsibility to adhere to RI deadlines.
- **You have to apply through RI as your school, in order for us to process and submit your application.**

# Important guidelines to follow

- Approach your CT personally for a reference based on our internal timeline. Do not wait till you are done with your statement.
- Furnish your CT with a 1-page write-up with information on:
  - Your academic interests, e.g. the topic you enjoyed most, etc. and why
  - Academic enrichment activities, where available.
  - Non-academic activities
  - Any other information requested by your CT
