

Dear Students of the Class of 2023

We would like to extend our warmest welcome to you in joining the Raffles family.

The first step in your RI journey is the Joint Admissions Exercise (JAE) Induction Programme which will be held on 7 and 8 February. This programme aims to facilitate your transition from the secondary school to JC environment and comprises a series of briefings and activities which will introduce you to various aspects of student life in RI.

Apart from information on key school programmes and the GCE A Level curriculum, you will have the opportunity to hear from your seniors about their experiences in RI. Introductory lectures on the various GCE A level subjects and enrichment programmes will also be made available online so that you can access them on your own time in the next few weeks. More information on how to access these lectures will be sent to you by Monday, 7 Feb.

To facilitate this, and other communication, please fill in the form below by 5pm on Saturday, 5 Feb if you haven't already done so:

https://forms.ri.edu.sg/2022_JAE

Additionally, we would like to draw your attention to the following important information on the JAE Induction Programme.

1. Reporting time and venues:

(Refer to the Campus Map at the end of this message for the venues indicated below).

Please report to school at 8am on 7 and 8 Feb either in your full secondary school uniform or half uniform (i.e. school T-shirt with pants/skirt/pinafore).

Students should report to the following venues:

- Schools beginning with the letters A and B: Multi-Purpose Hall (MPH)
- Cedar Girls' School and CHIJ St Nicholas: Performing Arts Centre (PAC)
- All other schools beginning with the letter C: LT1
- Schools beginning with the letters D to M: LT2
- Schools beginning with the letters N to R: Innovation Centre (INC)
- Schools beginning with the letter S: LT4
- Schools beginning with the letters T to Z: LT6

The RI Year 5-6 campus is accessible to pedestrians through the main entrance ('G3 Main Gate' in the Campus Map) and via turnstiles at Gate 5 (410 bus stop), Gate 8 (Marymount MRT) and Gate 11 (Braddell Road bus stop).

All students are reminded to **bring your secondary school student pass** (i.e. EZ-Link card) on 7 Feb so that we can activate it for entry into the RI campus gates. You will be able to use your activated student pass to access the gates from 8 Feb onwards. Do note that all turnstiles are locked from 8.30 am. You will have to enter the school via the Main Gate after 8.30am.

You are also required to **bring your thermometers** for daily temperature taking. Do check that your thermometers are in working order before the first day of reporting. Please also remember to bring

along your 'TraceTogether' tokens, or have your 'TraceTogether' app active on your mobile phones at all times.

2. Important Note of Personal Responsibility:

Students are reminded to ensure that they are in good state of health when in school. Any student who is unwell with ARI symptoms, on SHN or are awaiting PCR/ART test results, should stay away from school and see a doctor where relevant. Please email us with your name and contact number at jipadmin01@ri.edu.sg if the following applies to you so that we can give you further instructions on how to proceed before you report to school:

- Feeling unwell
- Has been issued a SHN/Isolation Order/HRW
- Has a household member who has tested positive for COVID-19

3. Vehicular Traffic Flow:

We would like you to remind your parents if they are driving you to and from school, to enter RI via the Main Entrance ("G3 Main Gate" in Campus Map). The drop-off and pick-up point is at P4 ("P4" in Campus Map). Parents should only enter the school when their child is ready to be picked up at the P4 drop-off and pick-up point as no parking and waiting is allowed.

4. Other Information:

RI's uniform provider is In-Trend Uniform. You are strongly encouraged to purchase your uniforms online at the following link <https://www.intrenduniforms.com/uniforms/school> so as to avoid crowds and queues.

Alternatively, you may purchase your uniforms directly from the vendor in school on 7 Feb between 12.30pm and 5pm at the following venues: Stamford Training Room (Blk B, Level 1) or Theatre Studies Room (Blk A, Level 1).

The JAE Induction Programme schedule is appended below. As the schedule is quite packed, please have a good breakfast before you report to school for the day. In our efforts to support sustainable development and climate action, please also note that disposable cutlery will not be provided at the canteen. Please bring along your own cutlery (fork, spoon or chopsticks) for your meals in school.

If you have any questions about the JAE Induction Programme, please email us at jipadmin01@ri.edu.sg.

We look forward to seeing you on Monday.

Thank you.
