- Ensure that all information you provide is truthful to the best of your knowledge.
- It is your responsibility to ensure that all self-reported results are entered correctly.
- An additional set of materials for Oxbridge applications, which includes information on Oxbridge tests, will be made available in the first week of August.

Applying to UK Universities: Overview

1. Start your UCAS account online.
2. Approach your CT directly to request for a recommendation.
3. Check university websites for course outlines and admission requirements.
4. Register and sit for admission tests, where relevant.
5. Double-check your UCAS application (name, subjects listed, etc.) before you submit it.
6. Submit your UCAS application well before our internal deadline. Your application reaches your CT.
7. Your CT completes the teacher reference and submits the full completed application to UCAS by the official UCAS deadline.

Note: *Certain universities & courses have additional requirements. Read the application instructions of your desired universities/courses closely.*

Important information: UCAS

THE BUZZWORD FOR THIS CYCLE IS **Raffles2022**.

- You submit 1 personal statement for all your course choices. Hence all your course choices must be within a similar field.
- You send off your UCAS statement once. I.e., if you are applying for courses with early deadlines, you will submit your UCAS application to all other courses/unis in your list by Sep/Oct.
- You can make a max. of 5 course choices with the following exception:
 - ❖ Up to 4 course choices for Med/VetMed/VetSci/Dentistry. You can include a 5th choice in another related course. E.g. You may apply for 4 Med courses and 1 Biomedical Sciences course.
- You can only make 1 course choice in either Cambridge or Oxford; not both.
- Universities will consider all applications submitted by the UCAS deadline. They cannot see where else you have applied to.
- Payment is made directly to UCAS online, not through the school.

Important information: UCAS

- **All RI applicants are to apply through RI as your school, in order for us to process and submit your application.**
- You can start your UCAS accounts from 16 July 2021. Note that completed applications can only be submitted to UCAS from 7 Sep 2021.
- Fill in the sections carefully. Save your progress over several sittings to give yourself time complete your form carefully.
- You need to have 1 reference submitted in support of your application. Your reference is written and submitted by your Civics Tutor.
- You need to complete your UCAS statement and make payment before your CT can complete his/her portion and send your application off. So, be sure to complete your application well ahead of our internal deadlines.
- Plan ahead. It is your responsibility to adhere to RI internal deadlines.

Important information: Requesting for references

- Approach your CT personally for a reference based on our internal timeline (available on our IVY course or our open website for alumni).
- Do not wait until you are done with your statement or make last minute decisions. It's only right and nice to give your teachers time to help you properly.
- You may furnish your CT with a 1-page write-up with information on:
 - ❖ Your academic interests, e.g. the topic you most enjoyed and why
 - ❖ Academic enrichment activities, where available
 - ❖ Non-academic activities
 - ❖ Any other information requested by your CT

At the top, the UCAS logo is on the left, and navigation links for 'Further education', 'Undergraduate', 'Postgraduate', 'Apprenticeships', 'Careers', a search icon, and 'Sign in' with a user icon are on the right. Below the navigation bar, there are two tabs: 'Sign in' and 'Register', with 'Register' being the active tab. The main heading 'REGISTER' is prominently displayed. Below it, there are five input fields: 'Email *', 'First name *', 'Last name', 'Password *', and 'Confirm password *'. Each field has a red asterisk indicating it is required. Below the input fields, there is a checkbox with the text 'I have read and understood the Terms and conditions *'. At the bottom left, there is a blue 'Register' button. On the right side of the registration form, there is a dark grey box with white text that reads: 'We never share your data without permission' followed by a link to 'Our privacy and cookie policies'.
