‘GIVING CHANGES ONE’S DESTINY.’

Chua Wah Ann,  
former Chairman of the Raffles Parents’ Association and Recipient of 2013 ‘Friend of RI’ Award
Your gift will help unlock the potential of our children, our future.

RI strives to provide an all-rounded education with programmes, activities and opportunities that enable its students to stretch themselves, both inside and outside the classroom.

The Rafflesian parent is a key pillar of the school and can help change the destiny of these children in their formative years with support and love.

But some children are not able to take advantage of the full experience at RI due to financial constraints. Some forgo certain programmes and activities or delay seeking much needed medical help so that they are not a burden to their own parents. Each year there is also a growing number of students who need scholarships. In 2013, we gave out 260 scholarships worth up to $2,000.

As parents, you understand how important it is to give our children every opportunity possible. Your contribution can help ease the load for financially-challenged students and their families so that they can stand shoulder to shoulder with their peers.

As significant role models, your help can also instil in our children the value of giving back when they grow up so that others can also benefit from a Rafflesian education.

RPA members take the time to mingle with parents of prospective RI students at the Year 1-4 Open House, listening to their concerns and answering their queries.

During the Mega Mugging Madness, parents served up delicious dinners to hungry Year 6 students preparing for their A-Levels.

The RPA Family Connect Day challenged families to think out of the box while strengthening familial bonds.
