

Year 1 Direct School Admission (DSA-Sec)

Communication, Malay Language, and STEM (Mathematics & Science)

The Language & STEM domain comprises the following talent areas:

- 1) Communication
- 2) Malay Language
- 3) Mathematics
- 4) Science

Applicants should apply for **ONLY ONE** talent area from the Language & STEM domain. Please note that if an applicant applies for two talent areas from this domain, only the first talent area will be considered. Appeals or changes will not be permitted.

A) Communication Talent Area Selection Criteria

- ▶ This talent area is for students who show exceptional talent in verbal-linguistic abilities, and who express themselves confidently through spoken and embodied modes of communication. These are students who don't just speak – they connect, persuade, perform, and lead.
- ▶ We are looking for individuals who are not only articulate but also intuitive – students who can read a room, adapt their tone and message on the fly, and leave a lasting impression. Whether it's in the form of persuasive speech, dramatic monologue, spoken word poetry, or even everyday conversation, these students communicate with purpose, presence, and flair.

2025 Schedule for Communication Talent Area

Important Notes

- ▶ The primary mode of communication is via email. Parents/guardians are reminded to **regularly check both the inbox and junk/spam folders of the email address** provided in the MOE DSA-Sec Portal throughout the DSA period for important updates, announcements, and instructions.
- ▶ Meeting all criteria does not guarantee the student will be shortlisted or given an offer.
- ▶ We will not disclose details of the DSA-Sec selection process or interviews, and reserve the right to neither discuss nor disclose reasons for non-selection.
- ▶ For any further enquiries, please email admissions@ri.edu.sg.
