# What is Publications?

---

- A student-led club that produces various publications centred around the school's past, present, and future.
- Each member has the freedom to come up with and research his own article or column. (e.g. food review column, agony aunt column, commentaries on current affairs, interviews with teachers, etc).

# Publications in 2021

---

- Upcoming projects: collaborative project with the Photography Club on preserving the school's past and envisioning the future
- Opportunities for both in-house and external training
