Dear Students of the Class of 2024,

We would like to extend our warmest welcome to you in joining the Raffles family.

The first step in your RI journey is the Joint Admissions Exercise (JAE) Induction Programme which will commence on 3 February 2023. This programme aims to facilitate your transition from the secondary school to JC environment and comprises a series of briefings and activities which will introduce you to various aspects of student life in RI.

Apart from information on key school programmes and the GCE A Level curriculum, you will have the opportunity to hear from your seniors about their experiences in RI. Introductory lectures on the various GCE A level subjects and enrichment programmes will also be made available online so that you can access them on your own time in the next few weeks. More information on how to access these lectures will be provided on 3 February.

To facilitate this, and other communication, please fill in the form below by 5pm on Thursday, 2 Feb if you haven't already done so:
https://forms.ri.edu.sg/Y56INTAKE2023

Additionally, we would like to draw your attention to the following important information on the JAE Induction Programme.

*1. Reporting time and venues:*
(Refer to Campus Map)
Please report to school by 8.00 am on 3 Feb in your <u>full</u> secondary school uniform

==*Students should report to LT1 (Year 5-6 Campus)*==

The RI Year 5-6 campus is accessible to pedestrians through the main entrance ('G3 Main Gate' in the Campus Map) and via turnstiles at Gate 5 (410 bus stop), Gate 8 (Marymount MRT) and Gate 11 (Braddell Road bus stop).

All students are reminded to **bring your secondary school student pass** (i.e. EZ-Link card) on 3 Feb so that we can activate it for entry into the RI campus gates. You will be able to use your activated student pass to access the gates from 6 Feb onwards. Do note that all

turnstiles are locked from 8.00 am. You will have to enter the school via the Main Gate after 8.00am.

2. Vehicular Traffic Flow:

We would like you to remind your parents if they are driving you to and from school, to enter RI via the Main Entrance ("G3 Main Gate" in Campus Map). The drop-off and pick-up point is at P4 ("P4" in Campus Map). Parents should only enter the school when their child is ready to be picked up at the P4 drop-off and pick-up point as no parking and waiting is allowed.

3. Other Information:

RI's uniform provider is In-Trend Uniform. You can purchase your uniform online at the following link https://www.intrenduniforms.com/uniforms/school.

Alternatively, you may purchase your uniforms directly from the vendor in school on 6-7 Feb between 12.00pm and 4.00pm at the **Stamford Training Room (Blk B, Level 1)**.

The JAE Induction Programme schedule is appended below. As the schedule is quite packed, please have a good breakfast before you report to school for the day.

If you have any questions about the JAE Induction Programme, please email us at jipadmin01@ri.edu.sg.

We look forward to seeing you on Friday 3 February.

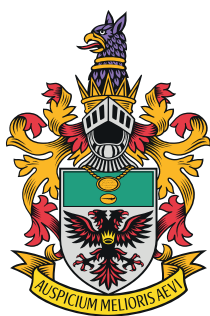

Thank you.
