Overview and important information

Applying to UK Universities: Overview

1. Start your UCAS account online.
2. Approach your CT directly to request for a recommendation.
3. Check university websites for course outlines and admission requirements.
4. Register and sit for admission tests, where relevant.
5. Double-check your UCAS application (name, subjects listed, etc.) before you submit it.
6. Submit your UCAS application well before our internal deadline. Your application reaches your CT.
7. Your CT completes the teacher reference and submits the full completed application to UCAS by the official UCAS deadline.

Note: *Certain universities & courses have additional requirements. Read the application instructions of your desired universities/courses closely.*

Important information: UCAS

THE BUZZWORD FOR THIS CYCLE IS Raffles2023

- You submit 1 personal statement for all your course choices. Hence all your course choices must be within a similar field.
- You send off your UCAS statement once. I.e., if you are applying for courses with early deadlines, you will submit your UCAS application to all other courses/unis in your list by Oct.
- You can make a max. of 5 course choices with the following exception:
 - ❖ Up to 4 course choices for Med/VetMed/VetSci/Dentistry. You can include a 5th choice in another related course. E.g. You may apply for 4 Med courses and 1 Biomedical Sciences course.
- You can only make 1 course choice in either Cambridge or Oxford, not both.
- Universities consider all applications submitted by the UCAS deadline. They cannot see where else you have applied to.
- Payment is made directly to UCAS online (by credit card), not through RI.

Important information: UCAS

- All RI applicants are to apply through RI as your school, in order for us to process and submit your application. Your CT will not be able to furnish a reference if you choose to apply as an individual.
- You can start your UCAS accounts from 8 July 2022. Completed applications can only be submitted to UCAS from 6 Sep 2022.
- Fill in the sections carefully. Save your progress over several sittings to give yourself time complete your form carefully.
- You need to have 1 reference submitted in support of your application. Your reference is written and submitted by your Civics Tutor.
- You need to complete your UCAS statement and make payment before your CT can complete his/her portion and send your application off. So, be sure to complete your application well ahead of our internal deadlines.
- Plan ahead. It is your responsibility to adhere to RI internal deadlines.

Important information: Requesting for references

- Approach your CT personally for a reference based on our internal timeline (available on our IVY course or our open website for alumni).
- Do not wait until you are done with your statement or make last minute decisions. It's only right and nice to give your teachers time to help you properly.
- You may furnish your CT with a 1-page write-up with information on:
 - ❖ Your academic interests, e.g. the topic you most enjoyed and why
 - ❖ Academic enrichment activities, where available
 - ❖ Non-academic activities
 - ❖ Any other information requested by your CT

English proficiency tests and exams are taken by students who don't speak English as their first language. Is English your first language?

This question is to find out whether you have taken an IELTS or TOFEL English proficiency test. The answer to this question is not passed on to your choices.

- If you click yes, you won't be asked any additional questions and can mark this section as complete.
- If you click no, and have taken English proficiency tests, you can add your certificate numbers and we'll pass them on to your chosen universities and colleges when you submit your application.
- If you click no and haven't completed any tests, for example because Welsh is your first language, you can leave the remaining fields blank and then mark this section as complete.
